OLD NYE COUNTY PRODUCER TO CANADIANS SUBJECTED TO RE REOPENED BY SALT LAKE CAPITAL

Preparations for the resumption of work at the Ophir mine in the northeastern end of Nye county are Burton, a Salt Lake engineer, who has had considerable experience with Nevada mines. A gang of men has been placed on the road which leads ant Joe Kavanaugh, of the Irish Cato the mine and a distance of three nadian Rangers, a veteran of three miles will have to be rebuilt. A con-struction camp has been established of the first to offer his services unat Marty Canyon where ten men find der the British flag, although of The mine was fortreal as one of the staff at head-quarters of the American Tobacco perly owned by the Gillette family of Chicago and has not been worked 30 years. Local reports credit the property with having pro-It is a lead, silver with an incline shaft in Canada, and after one year's in-tensive training went to the front in

ARROYO GRANDE, Cal., May 12.-Ocean fog, the terror of navigators, s the principal "fertilizer" for the tremendous bean crop of the Caliworld's armies, at unheard of prices. As the gray mist blankets hundreds of miles of coast nearly every sumer afternoon, the growers are fairly sure of their returns and those who have not bought automobiles are reported to be investing. better priced cars find much

Beans have been quoted thus far this year as high as 18 cents a pound. Five years ago three cents was considered a high price, year ten cents was reached. Last They are dry-farmed, and rain means ruin What moisture the vines need they get largely from the fog. No com nercial fertilizer is used.

Ancient scriptural methods still are used among the smaller growers in handing the crops. The favorite way is to mow the vines and pile them on a sheet of burlap, 50 by feet to a depth of 18 inches. After allowing a few days for drying a our horse team is driven in upon the burlsp and tramples the vines. These thes pitchforked aside and the burlap is caught up at its four corand ready for winnowing and market- ber of deputies on the bill provid-Other farmers make a mud ing for a new income tax as a sub-

wagon many times around it.

Larger holdings are harvested by comparatively small increase in taxes hour, 10 a. m. works like a wheat which reaper. Owners of these reapers rent the purpose to effect a peace settlethem out on a basis of 15 to 25 cents a hundred pounds of beans.
